

Stream 3: Credential Purchase

Stream 3, Credential Purchase, provides an expedited pathway for experienced farriers holding recognized credentials to obtain approval within the Apprentice Farrier Training Program. Individuals who currently possess the American Farriers Certified Journeyman Farrier credential OR the Worshipful Company of Farriers Diploma of Farriery are eligible to apply.

To qualify, candidates must maintain active membership in a supporting regional association and submit a \$500 fee along with their application to the AFTC.

Additionally, candidates are required to submit case studies showcasing their practical expertise in farriery. This stream offers a streamlined process for qualified professionals to further enhance their skills and recognition within the industry, facilitating their continued growth and advancement as farriers.
